To Parents/Guardians of Students in Grade 7:

In May and June last year, the majority of Grade 6 students throughout the province wrote provincial achievement tests in language arts, mathematics, science, and social studies. Results from these tests provide Alberta Education, school administrators, teachers, parents, students, and the public with information about what students know and can do in relation to provincial standards at the end of Grade 6.

Enclosed with the November report card is an *Individual Student Profile* showing your child's achievement test results. This profile is prepared by Alberta Education after the marking and scoring of tests has been completed and final scores are calculated. It presents your child's performance on each test in relation to provincial standards. This information is useful in planning your child's instructional program for the coming year. You are invited to review your child's results with his or her teachers and to discuss how results will be reflected in the instructional program that is planned for this year.

Please feel free to call our school if you have any questions.

Thank you
