Please find a February schedule attached to this email. Please read your schedules carefully.

Teammates/Open House:

If you have a teammate, friend or classmate that would like to try a shadow day for the academy please have them contact us and we would be happy to set it up. Our Academy Open House is **Mar. 4** at 6:00 P.M. at Albert Lacombe School.

Pickle ball, Hiit Training:

All academy athletes will be participating in Pickle ball and Hiit training. Some will also be travelling to ATHX. **Please ensure athletes have a change of clothes as well as clean shoes for all dry land activities.**

Emergency Contacts:

If there is ever an emergency and you need to speak to your child please call Albert Lacombe at 780 - 459 – 4478 and the secretary will be able to reach an instructor on their cell phone.

Parking:

When dropping off or picking up your child at school please be mindful of the buses. If buses are in the school parking lots than you should not be. This is a rule for the safety of children in the parking lots.

Website/Twitter/Instagram:

Our website is up and running all newsletters and forms can be found on it as well as any information you require; sportsacademy.gsacrd.ab.ca We also now have a Twitter account and use it to share information. It is a good tool for emergency situations like change of venues or late buses etc. Our twitter account is [GSACRD_Sports](https://twitter.com/GSACRD_Sports). In order to follow us on Twitter and receive messages you will need to download the twitter app or twitterrific. Once you have this app become a follower of [GSACRD_Sports](https://twitter.com/GSACRD_Sports) to get up to date information. We have recently added instagram to our social media repertoire. This is a good way to see what we do on a daily basis. To follow our account [gsacrd_sportsacademy](https://www.instagram.com/gsacrd_sportsacademy).

Communication:

If you have any questions or concerns or would just like to talk about your son or daughter's progress in the academy please give me a call or send me an email.
